

THE BISHOP'S SEMINARIAN FUND

Southeast Michigan Synod, ELCA
8115 E Jefferson
Detroit, MI 48214

A Note to our Congregations

On Sunday, May 8, 2016, which is also Mothers' Day, I am asking every congregation in our Southeast Michigan Synod to collect a once-a-year offering to help support candidates from Southeast Michigan congregations who are currently studying in ELCA seminaries.

The costs for seminary education keep rising, and many of our candidates are already carrying undergraduate student loans. The purpose of this Fund is to:

- Help our seminarians bear the burden of seminary education costs.
- Build bridges between our congregations and our seminarians.
- Break the chains of financial stress that limit the options of those called to serve.
- Bring hope for the next generation of church leaders.

The Bishop's Seminarian Fund will be used to provide scholarship assistance and encouragement to those called to serve as professional leaders in the church.

Grace and peace,
Bishop Don Kreiss
